TECHNICAL SPECIFICATIONS AND SESSION PROGRESSION

Please arrive 30 minutes before the start of the session.

The entire session lasts 120 minutes, including 5-minute question periods (if time permits).

Conferences are presented on the stage located at the front of the room. A lectern-mounted microphone, a multimedia projector (1920 × 1080 pixel resolution), a projection screen (16:9 format) and a laser pointer will be available.

A monitor set up in front of the stage allows the speaker to view their slideshow without having to turn towards the projection screen.

A technician will be present throughout the session to provide technical support and give instructions regarding the progression.

REBROADCAST

Rebroadcasts of conference sessions will be available for 60 days after the conference on the networking platform via the QM+É website (<https://mrnf.gouv.qc.ca/quebec-mines/>).
